## **TWO DAYS ONLY!**

### **MICHIGAN DESIGN CENTER ANNOUNCES “INSIDE | OUT” SALE EVENT**

*Find impressive savings on fine furnishings, shop pieces by local artists, and enjoy complimentary activities both inside MDC showrooms and outdoors in an open-air tent exhibition area*

**TROY, MICHIGAN (August 23, 2022)** – Don’t miss the savings and design event of the year—THE “INSIDE | OUT” SALE EVENT at Michigan Design Center—on **Thursday and Friday, September 15 & 16, from 9 a.m. through 5 p.m. each day.**

Michigan Design Center (MDC) has added special surprises to their once-yearly Sample Sale for guests to enjoy both indoors and outside at MDC’s south entrance. In addition to the deep discounts on designer furniture, lighting, flooring, fabric, rugs, art, and accessories, this all-new event will include interactive activities, live demonstrations, informative presentations, pop-up shops, and tasty local fare served-up by several food truck vendors.

*“There’s something for everyone to enjoy at this exciting two-day event,” says MDC General Manager and Executive Vice President Susan Todebush. “Nearly all of MDC’s 35+ showrooms and studios are participating with either a special guest experience, a floor sample sale, or both! What’s more, the outdoor tent exhibition area allows us to include several local craftspeople and artisans to showcase their products and talents.”*

Join MDC’s charity partner for this event, **Soul Studio** (a project of *Friendship Circle*), at their exhibition in the covered tent area where they will feature live demonstrations from Soul Studio artists and

display several pieces of mixed-media art created by their student-artists.

**See Page 2 of this Press Release for a list of participating showrooms, tent exhibitors, and food truck vendors. Visit [michigandesign.com/event/inside-out-sale-event](http://michigandesign.com/event/inside-out-sale-event) to see the full lineup of events.**
