

# MICHIGAN DESIGN CENTER - 2026 E-Newsletter Deadlines

Each month, showrooms and studios have three opportunities to be included in MDC's E-Newsletters:

**1.) Showroom news & promotions:** Distributed at the beginning of each month (*Design News & Design Line*)

- Please specify if the news item is intended for trade, consumers, or both
- Please send 2-4 sentences describing your promotion or announcement, with images to [emcdonald@michigandesign.com](mailto:emcdonald@michigandesign.com)
- MDC reserves the right to determine the eligibility for each submitted item

**2.) Events:** Promoted at the beginning of month (*Design News & Design Line*) and later in month (*Design Live*)

- Please specify if your event is intended for trade, consumers, or both
- Events require a defined topic, speaker(s), demonstration, or presentation, along with a specific time.
- MDC reserves the right to determine the manner and amount of promotion for each event or line showing, based on the uniqueness of the event and the intended audience.
- Contact [patty@michigandesign.com](mailto:patty@michigandesign.com) to secure a date. An "Event Information Form" must be completed for each event
- Note: We do ask for 60 days advanced notice for all events to ensure the best possible event support

**3.) Product-related news:** Distributed in the middle of the month (*Design Elements*)

- Sent to both trade and consumers
- Please send 2-4 sentences describing your product, along with an image(s), to [barb@michigandesign.com](mailto:barb@michigandesign.com)

Ensure that each submission pertains to your showroom or the showroom featuring your product(s) at MDC. Submissions will be featured in MDC's monthly e-newsletters and posted on our website under "News & Events."
