

SAPPHIRE BLUES

This cool blue shade evokes a sense of serenity and may even be used to promote stability and increase productivity.

Add a dazzling display of crystalline beauty with the *Agata Collection* (left), a large-format polished porcelain tile that is durable and easy to maintain. But nothing compares to the classic, one-of-a-kind beauty found in real semi-precious gemstones. Mesmerizing *Onyx Blue* tiles (below) are sure to add a vibrant, earthy energy. **Cercan Tile**, Suite 94.

Lakeside One is an original art on canvas piece by Lena Selleck featuring a natural, calming scene with an abundance of blue and green tones. **Designer Group Collection**, Suite 34.

This abstract mural wallcovering from Gianti's exclusive *Lamborghini Collection* creates a peaceful backdrop. **Decoroom**, Suite 38.

The *Sobe Table Lamp* by Fine Art Handcrafted Lighting features a unique collage of luminescent abstract patterns in cobalt with gold leaf accents. **Lighting Resource Studio**, Suite 18.
