

### MULTI-FUNCTION MIRRORED CABINET

This bathroom vanity by Robern combines function and style when paired with the *Uplift Tech Cabinet*. With an innovative door that lifts and stays up, the cabinet features include seamless interior lighting, defogging, USB charging ports, electrical outlets for small appliances, and a programmable nightlight built into the curved handle. Options include perimeter lighting around the mirror border. Available at **Ann Sacks**, Suite 91.

### ORGANIZE YOUR KITCHEN DRAWERS WITH INSERTS

Keeping a kitchen organized and functioning with all of today's appliances and gadgets can be challenging. This in-drawer knife rack is the perfect solution to eliminate countertop clutter and keep your knives in sharp condition. Additional inserts are available in various sizes for spices, coffee pods, cutting boards, utensils, and more. Available at **Scavolini Store Detroit**, Suite 37.
