

Stepping Out

By Patty Goldstein *and* Emily McDonald

Expanding the living area of the home to include the outdoors has never been more popular, with outdoor spaces being used for exercise, meetings, and relaxation. Performance is a key factor to consider when selecting outdoor products, with durability, and weather-resistance leading the list of must-have features. From whimsical and fun to calm and serene, these outdoor living solutions are sure to stand up well to the elements without sacrificing style or functionality.

ALL-WEATHER LUXURY

The *Captiva* collection by Bernhardt features a range of luxury furnishings, from tables and chairs to sofas and sectionals. These all-weather pieces bring a stylish, sophisticated mood to your outdoor sanctuary. Chairs include deep, luxurious cushions, with high performance upholstery fabrics by *Sumbrella* and others.
