

## LIFE MADE COMFORTABLE

With sustainability as their focus, Danish design company Cane-Line creates stylish and aesthetically-pleasing indoor and outdoor furniture. Not only are these pieces comfortable and functional, they also bring added value and style to any space dedicated to relaxing and entertaining. This outdoor space is transformed with Cane-Line's lounge and dining furniture, with outdoor accessories and storage solutions completing the designer's vision.

## FABULOUS FAUX AGATE

Porcelain tile is known for its outstanding durability, scratch and stain resistance, and heat tolerance. These characteristics make porcelain viable for outdoor tables, kitchens and bars, and pool surrounds. It's also a great option for flooring that extends from interior spaces to patios and sunrooms.
