

The lower-level's comfortable full bathroom is located adjacent to the kitchen. A vanity with a trough sink was installed along a textured linen wallcovering, and the shower contains a dark bronze porcelain tile for a touch of sophistication. The honed porcelain floor tile is even equipped with underfloor heating to combat the cold Michigan winters.

Vanity: **Scavolini Store Detroit.**

Mirror and sconces: available at **CAI Designs** and **Lighting Resource Studio.**

Floor tile: **Cercan Tile.**
