

SAND TRAP

The first line of defense in keeping your home as sand-free as possible is a textured all-weather rug.

One look at the luxuriously soft *Sunbrella* by *Harounian Rugs* Cream/Grey and Cream/Blue outdoor rugs (below) and you may not believe that they can withstand stains or spills, and won't pill or fade. The *Harcourt Collection Aqua Sky* Snow White rug (left) has a sturdy weave that is ready for action. **The Ghiordes Knot**
