## SCENE IN A NEW LIGHT

Layers of light set the scene – even outdoors. Below is an array of outdoor solutions which offers a range of illumination to encourage more time outside, right into the wee hours of the night.

The Savoy House Colonade 6-Light Fan D'Lier in Provence with gold accents has a secret...a cleverly concealed ceiling fan nestled within. Now that's cool. **CAI Designs** and **Lighting Resource Studio** 

The Hubbardton Forge Halo Large and Fairwinds Outdoor Sconces are constructed to resist harsh environmental conditions and combat oxidation to ensure durability for the life of your fixture.
