

SCENE IN A NEW LIGHT

Layers of light set the scene – even outdoors. Below is an array of outdoor solutions which offers a range of illumination to encourage more time outside, right into the wee hours of the night.

The *Savoy House Colonade 6-Light Fan D'Lier* in Provence with gold accents has a secret...a cleverly concealed ceiling fan nestled within. Now that's cool.

CAI Designs and Lighting Resource Studio

The *Hubbardton Forge Halo Large* and *Fairwinds Outdoor Sconces* are constructed to resist harsh environmental conditions and combat oxidation to ensure durability for the life of your fixture.
