INFORMATION

It's an honor to work alongside people who create beautiful spaces — spaces born from the collaboration of designers, builders, and artists, each bringing their own craft and intention.

I consider it a privilege to capture this work through editorial-style photography.

## Our Community

Professionals in the design trades offer a multitude of services that are as diverse as the places their clients occupy. Whether you're designing a new building from the ground up, or putting the finishing touches on a space for a client who simply desires a quick refresh, design professionals have the skill and training to help their clients enjoy spaces that maximize functionality and reflect the client's unique personal style in every area they touch.

For nearly 50 years, Michigan Design Center has been the place where our talented design community comes together. Our showrooms, staff, and resources are dedicated to supporting your work at every stage of the process—serving as an extension of your team, a trusted source for products and expertise, and a central hub for inspiration, collaboration, and connection.

As we look ahead to 2026, we will offer special events and educational opportunities that honor and connect the professionals within our community. Together, we'll foster the innovation and creativity that will propel us forward.

We're looking forward to a great year, and hope to see you again soon!
