

WE ARE DIFFERENT, BY DESIGN

MDC is a wonderful place for anyone who appreciates fine design, innovative products, and expert design advice. Whether you are building a new home or improving your current one, we are a one-stop resource where you can see, touch, and try the best of the best without ever leaving the building.

As the thriving center of the design community, we offer educational seminars and we support many charitable events throughout the year.

SHOPPING OUR SHOWROOMS

Since we opened in 1977, MDC has been the top resource in the region for the professional design trades. Tucked away on a quiet side street, access was strictly limited to the trade. As the industry began to evolve about 15 years ago, consumers were invited to visit MDC to peruse our beautiful showrooms on their own. Today, while all our showrooms are open for browsing, due to the custom nature of the products offered in our showrooms, some showrooms continue to require that purchases be made through a design professional to help ensure the items selected will meet or exceed your expectations.
