

## PURPOSFULLY REPURPOSED

Initially rescued from St. Stanislaus Bishop and Martyr Church in Detroit's historic Poletown neighborhood, this linen press was given a new life after more than a decade waiting for the perfect home. Repurposed into a striking bar, it creates a perfect balance in the space and is a terrific conversation piece. Handblown glass pendants were crafted by the homeowner, a talented artist in her own right, offering an intimate ambiance.

**AVAILABLE AT MDC: Alexandra June** rug.
