**ENCHANTED FOREST | Anna Versaci, Anna Versaci Design**  
Scavolini Store Detroit, Suite 37

The “Enchanted Forest” theme draws inspiration from the beautiful simplicity of nature. It evokes the magic of a crisp autumn walk in Michigan, as summer fades and fall begins. Picture the canopy of trees, leaves changing colors, and the mossy, crunchy ground beneath your feet. This vignette brings the outdoors in with rich forest greens, earthy textures, and the comforting embrace of nature’s beauty.
