THE EPIC ROAD TRIP PLANNING PARTY: WHEELS ACROSS AMERICA

Terry Ellis, *Room Service Interior Design*

Room Service Interior Design, Suite 104A

A small group of friends gather for a casual planning party. They will soon embark upon a journey across the country ON BICYCLES! It will be the adventure of a lifetime visiting great American landmarks, national parks and vibrant cities. Fresh air, nature, and an exhilarating freedom from the daily grind. This planning session is inspiring the fun, colorful and exciting journey ahead, while enjoying snacks and beverages together.
