**THE COOL KIDS TABLE | Dayna Rasschaert, *Dayna Flory Interiors***  
Schumacher, Suite 110

Inspired by the joyful energy of Dayna’s children and her dog, “The Cool Kids Table” blends modern style with playful elements. Woodland creatures and vibrant paper cranes bring whimsy to the setting, while wallpaper memos double as coloring pages, adding splashes of color and creativity. It’s a fun, celebratory space for kids of all ages!
