

THE JUNGLE BOOK

BY RUDYARD KIPLING

Brought to life by:

Kim Dyke & Cecelia Covington, Flooring Design

Showroom:

Flooring Design, Suite 73

This wild and whimsical vignette brings the untamed beauty of the jungle to life with bold animal prints, earthy textures, and lush natural tones. It's a floor-forward adventure that showcases the wild side of design – no vines required.

MDC Resources: Alexandra June, Italcasa Design, Flooring Design
